- Be specific with your section headings. Use them to highlight related experience.
- Separate your sections with bold or capitalized headings that stand out.
- Use month year format within sections – either as numbers or written out (03/202X vs. March 202X).
- In general, use 11- or 12-point font in your document. An easy-to-read font is also recommended such as Calibri or Times New Roman.
- Make use of white space. Keep margins balanced and no less than 0.5", don't overcrowd the page. Margins can be adjusted under "Page Layout" if using Microsoft Word. You want your resume to be easy for the recruiter to read.
- Professional summaries are optional, only included if it enhances the resume by making career goal clearer to the recipient. Statement should be brief and specific, stating interest in the field and/or position.
- Omit possessive pronouns on your resume such as me, my and I.

Resume Minimum Requirements Checklist

The Shevet Glaubach Center's on-line job database, YU CareerLink, enables Yeshiva students to search for and apply to jobs, internships and other opportunities directly through its on-line interface. Students wishing to apply to jobs directly on the system will need to upload a copy of their resume to their YU CareerLink account. For details on how to do so, visit [here](#). Because employer standards are very stringent, and any errors on the resume may lead to an applicant's rejection, all resumes uploaded onto the system are temporarily held in a virtual "Resume Bin" where they are then reviewed by SGC staff prior to being approved for use on the system. The resumes are examined for any issues, gaps, or errors in content, format and style. Resumes with problems in any of these areas are sent back to the student, with instructions on issues to be fixed or revised. It is ultimately the student's responsibility to ensure that their resume is free of errors, whether formatting, content, layout, or style. Below is a checklist of items students should use to review their own resumes prior to submitting them on-line in order to ensure the greatest likelihood that they will be approved in a timely fashion.

Layout and Design

- o Use a standard font and size for the body that is easy to read (10-12pt)
- o NO TYPOS on the resume (Use spell-check, and read the resume out loud to ensure there are no misused words)
- o For undergraduate students, resume does not exceed one page in length
- o Style and layout are consistent throughout the resume including consistent use of bullets, bold, italics, underline, hyphens, punctuation, and indentation. (NOTE: Almost 90 % of resumes are first rejected due to inconsistencies in formatting. e.g. Periods at the end of some bullets but not others / different sized dashes in activity dates "-" vs. " - " / Dates or bullets not aligned evenly across sections
- o Margins are no narrower than 1/2 inch

Contact Information

- o First and last name, address, phone number where you can be reached, and professional email address displayed clearly at the top of the page
- o Contact Information: street address properly written (83rd St., New York, NY) and apartments written correctly (Apt., City, State)
- o Name is 14-16 point font size
- o Don't use both parentheses and hyphens in phone number: (201)-267-7777 is wrong; (201) 267-7777 is correct or 201-626-7777 also fine sized dashes in activity dates "-" vs. "-"
- o Dates or bullets not aligned evenly across sections

Professional Summary (optional)

- o Only included if it enhances the resume by making career goal clearer to the recipient
- o Statement is brief and specific, stating interest in the field and/or position

Education

- o Schools attended are listed in reverse chronological order
- o Includes full name of the school and/or university (Yeshiva University, Yeshiva College) spelled out and the city and state of its location
