YU Pathways

YU Pathways includes a broad range of programs geared to move undergraduates seamlessly from the bachelor's level to a graduate degree, providing the advanced training you need to launch the career of your choice. Learn more: www.go.yu.edu/pathways

Partnerships with Other Universities

YU offers several joint/dual degrees and early assurance programs in partnership with universities across the U.S. Joint/dual degree programs allow undergraduates to begin taking graduate coursework during their undergraduate studies—accelerating their path to a graduate degree. Early assurance/guaranteed admissions programs allow YU undergraduates the opportunity to apply for admissions to their graduate program of choice ahead of the typical admissions cycle.
