

COMPUTER SCIENCE, INFORMATION TECHNOLOGY ENGINEERING AND DATA SCIENCE SAMPLE JOB TITLES

Computer Science, Information Technology, Engineering and Data Science Sectors

Computer Hardware	Internet Content
Computer Software	Internet Services and Security
Engineering	Nanotechnology
Information Technology	Social Media
Information Technology Consulting	

Sample Titles

- Aeronautical and Aerospace Technicians
- Aerospace Engineers
- Air Quality Engineers
- Animators
- Art Directors
- Audio Recording Engineers
- Automotive Engineering Technicians
- Automotive Engineers
- Avionics Engineers and Technicians
- Biochemical Engineers
- Biochemists
- Biomedical Engineers
- Biometrics Systems Specialists
- Bloggers
- Broadcast Engineers
- Cartoonists
- Ceramics Engineers
- Chemical Engineers
- Chemists
- Chief Information Officers
- Civil Engineering Technicians
- Civil Engineers
- Clinical Data Managers
- Columnists
- Computer and Office Machine Service Technicians
- Computer and Video Game Designers
- Computer Network Administrators
- Computer Programmers
- Computer Support Service Owners
- Computer Support Specialists
- Computer Systems Programmer/Analysts
- Computer Trainers
- Computer-Aided Design Drafters and Technicians
- Data Processing Technicians
- Data Scientists
- Data Warehousing Specialists
- Database Specialists
- Digital Advertising and Marketing Workers
- Digital Agents
- Digital Designers
- Document Management Specialists
- Drone Engineers
- Drug Developers
- Editorial and Research Assistants
- Editors
- Electrical and Electronics Engineers
- Electrical Engineering Technologists
- Electromechanical Engineering Technologists
- Electronics Engineering Technicians

- Electronics Service Technicians
- Embedded Systems Engineers
- Energy Efficiency Engineers
- Engineering Technicians
- Engineers
- Environmental Engineers
- Ergonomists
- Fiber Optics Technicians
- Forensic Engineers
- Fuel Cell Engineers
- Futurists
- Genetic Engineers
- Geotechnical Engineers
- Graphic Designers
- Graphics Programmers
- Hardware Engineers
- Industrial Designers
- Industrial Engineering Technicians
- Industrial Engineers
- Information Assurance Analysts
- Information Brokers
- Information Security Analysts
- Information Technology Consultants
- Information Technology Project Managers
- Information Technology Security Consultants
- Internet Consultants
- Internet Content Curators
- Internet Developers
- Internet Executives
- Internet Marketing and Advertising Consultants
- Internet Quality Assurance Specialists
- Internet Security Specialists
- Internet Store Managers and Entrepreneurs
- Internet Transaction Specialists
- Magazine Editors
- Manufacturing Engineering Technologists
- Manufacturing Engineers
- Marine Engineers
- Market Research Analysts
- Materials Engineers
- Mathematicians
- Mechanical Engineering Technicians
- Mechanical Engineers
- Mechatronics Engineers
- Media Planners and Buyers
- Media Relations Specialists
- Metallurgical Engineers
- Metallurgical Technicians
- Microbiologists
- Microelectronics Technicians
- Microfabrication Engineers and Technicians
- Mining Engineers
- Mobile Software Developers
- Nanomaterials Scientists
- Nanosystems Engineers
- Nanotechnicians
- Nanotechnologists
- Newspaper Editors
- Nuclear Engineers
- Online Journalists
- Online Producers
- Online Reputation Managers
- Optical Engineers
- Packaging Engineers
- Petroleum Engineers
- Petroleum Technicians
- Plastics Engineers and Technicians
- Podcasters
- Professional Hackers
- Quality Control Engineers and Technicians
- Renewable Energy Engineers

- Robotics Engineers and Technicians
- Robotics Engineers and Technicians
- Search Engine Optimization Specialists
- Semiconductor Technicians
- Social Media Workers
- Software Application Developers
- Software Designers
- Software Engineers
- Software Quality Assurance Testers
- Solar Engineers
- Solutions Architects
- Stationary Engineers
- Systems Setup Specialists
- Technical Support Specialists
- Technical Writers and Editors
- Traffic Engineers
- User Experience Designers
- Video Game Art Directors
- Video Game Producers
- Webmasters
- Wireless Service Technicians
- Writers
