## Additional Tips:

- Use your YU email address until your 2nd semester of Senior Year afterwards you are welcome to use a professional e-mail address preferably one that uses your name. Do not use your Hebrew name in your email address and then use a different name on your resume.
- Emphasize different types of information in your 'header' with bolding or italics.
- Be specific with your section headings. Use them to highlight related experience.
- Separate your sections with bold or capitalized headings that stand out.
- Use MM/YYYY format within sections – either as numbers or written out (03/2020 vs. March 2020).
- In general, use 11- or 12-point font in your document. An easy-to-read font is also recommended such as Calibri or Times New Roman.
- Make use of white space. Keep margins balanced and no less than 0.5", don't overcrowd the page. Margins can be adjusted under "Page Layout" if using Microsoft Word. You want your resume to be easy for the recruiter to read.

They way in which you describe your activities greatly impacts how positively (or negatively) a resume reader perceives your application. Below are some guidelines for writing impactful activity descriptions on your resume:

## Use **ACTION** statements

Start each of your activity descriptions with an ACTION VERB that efficiently conveys your key task, activity, or responsibility. Do not use personal pronouns such as "I", "me" or "my".

### Examples:

- Provided customer service to store patrons
- Researched and produced financial reports
- Planned activities for campers

Strengthen your descriptions with **QUALIFIERS/ADJECTIVES** that show **HOW** you performed your tasks well.

### Examples:

- Provided friendly, professional customer service to store patrons
- Conducted extensive research and produced financial reports
- Collaboratively planned fun, engaging educational and recreational activities for campers

Qualify the **PURPOSE, IMPACT,** or **VALUE** of your activity by connecting the activity to its beneficial goal for the organization or customers.

### Examples:

- Provided friendly, professional customer service to store patrons ensuring a positive customer experience
- Conducted extensive research and produced financial reports to assist with investment decision making
- Collaboratively planned fun, engaging educational and recreational activities for campers in order to foster learning and camper engagement

Where relevant, **QUANTIFY** the **SCOPE, ACHIEVEMENTS,** or **OUTCOMES** of your activities with concrete numbers.

### Examples:

- Provided friendly, professional customer service to store patrons ensuring a positive customer experience and exceeding monthly sales goals by over 10% each month for six months.
- Conducted extensive research and produced financial reports to assist with investment decision making, resulting in over \$2.5 million in new investment activity
- Collaboratively planned more than 20 fun, engaging educational and recreational activities for over 150 campers in order to foster learning and camper engagement

In summary, the best resume descriptors will have a combination of ACTION VERBS, supporting ADJECTIVES, as well as NUMBERS quantifying the SCOPE, PURPOSE, or OUTCOMES of your activities.

# Resume Minimum Requirements Checklist

The Career Center's on-line job database, YU CareerLink, enables Yeshiva students to search for and apply to jobs, internships and other opportunities directly through its on-line interface. Students wishing to apply to jobs directly on the system will need to upload a copy of their resume to their YU CareerLink account. For details on how to do so, visit [HERE](#). Because employer standards are very stringent, and any errors on the resume may lead to an applicant's rejection, all resumes uploaded onto the system are temporarily held in a virtual "Resume Bin" where they are then reviewed by Career Center staff prior to being approved for use on the system. The resumes are examined for any issues, gaps, or errors in content, format and style. Resumes with problems in any of these areas are sent back to the student, with instructions on issues to be fixed or revised. It is ultimately the students' responsibility to ensure that his or her resume is free of errors, whether formatting, content, layout, or style. Below is a checklist of items students should use to review their own resumes prior to submitting them on-line in order to ensure the greatest likelihood that they will be approved in a timely fashion.

## Layout and Design

- ☐ Use a standard font and size for the body that is easy to read (10-12pt)
- ☐ NO TYPOS on the resume (TIP: Use spell-check, and read the resume out loud to ensure there are no misused words)
- ☐ For undergraduate students, resume does not exceed one page in length
- ☐ Style and layout are consistent throughout the resume including consistent use of bullets, bold, italics, underline, hyphens, punctuation, and indentation. (NOTE: Almost 90 % of resumes are first rejected due to inconsistencies in formatting. e.g. Periods at the end of some bullets but not others / different sized dashes in activity dates "-" vs. " - " / Dates or bullets not aligned evenly across sections)
- ☐ Margins are no narrower than 1/2 inch

## Contact Information

- ☐ First and last name, address, phone number where you can be reached, and professional email address displayed clearly at the top of the page
- ☐ Contact Information: street address properly written (83rd St., New York, NY) and apartments written correctly (Apt., City, State)
- ☐ Name is 14-16 point font size
- ☐ Don't use both parentheses and hyphens in phone number: (201)-267-7777 is wrong; (201) 267-7777 is correct or 201-626-7777 also fine sized dashes in activity dates "-" vs. "- " / Dates or bullets not aligned evenly across sections

## Objective (optional)

- ☐ Only included if it enhances the resume by making career goal clearer to the recipient
- ☐ Statement is brief and specific, stating interest in the field and/or position

## Education

- ☐ Schools attended are listed in reverse chronological order
- ☐ Includes full name of the school and/or university (Yeshiva University, Yeshiva College) spelled out and the city and state of its location
- ☐ Uses the official degree name (Bachelor of Arts for SCW & YC, Bachelor of Science for SSSB)
- ☐ Major, minor, and concentration (if applicable) spelled out
- ☐ Includes GPA if it is above a 3.00 listed to the hundredths place.
- ☐ Indicates graduation date, anticipated graduation date, or dates attended (if not a degree granting program, i.e. study in Israel)

## RESUME MINIMUM REQUIREMENTS CHECKLIST (cont.)

### Experience

- ☐ Presents experience in reverse chronological order (most recent job/position listed first)
- ☐ Utilizes heading(s) such as "Relevant Experience," "Related Experience," and/or "Additional Experience" to organize and present most significant experience first. Note: this structure is optional

- ☐ Lists title and start/end dates (month/year or semester/year -used consistently throughout the resume)
- ☐ Uses descriptive, bulleted (optional) statements demonstrating skills, accomplishments, and specific responsibilities. Each statement starts with an action verb, not an "I" statement. Full sentences are not used on the resume

### Honors and Awards (optional)

- ☐ Specifies the complete name for each relevant award or honor, the granting organization, and the month/year of receipt
