About the Community

This CAPS focuses on advising students interested in going into law, government, and related fields. In addition to helping you work on your argument and oratory skills, we will assist you in figuring out a specific interest in law or government and connect you with mentors during your experience at YU.

A large part of this community also helps students with the law school and graduate school application process.

Highlighted Events in this Community Include:

- Langfan Constitutional Oratory Competition
- Pre-Law Speed Networking Event
