WHAT IS SPORTS MANAGEMENT?

Sports is about more than just playing a game. In the area of sports media rights alone, studies expect annual revenues to increase continuously. It takes professionals in many different areas to keep the industry moving forward, so even if you're not an athlete, you can still get in on the game. From advertising to facilities to food services to back-office functions, whether working for a team, or a school, JCC, or a media company, there are numerous career functions and settings for those interested in work related to sports. Entering the field requires persistence and networking.

OUTLOOK

According to the U.S. Department of Labor (DOL), Employment of entertainment and sports occupations is projected to grow 22% from 2020 to 2030, about as fast as the average for all occupations. Employment is projected to increase by about 160,600. Strong demand from the public for more movies and television shows, as well as the increasing popularity of sports, will contribute to job growth for the entertainment and sports occupations.
